# CODE8 - test xx

Le matin se lève sur un village endormi. Les rayons du soleil percent doucement la brume, révélant les toits humides et les ruelles pavées. Un coq chante au loin, annonçant une nouvelle journée. Dans les champs, l'odeur fraîche de l'herbe coupée se mêle à celle de la terre humide. Les habitants sortent peu à peu, saluant leurs voisins d'un signe de tête. Au marché, les étals colorés s'emplissent de fruits, légumes et fleurs. Les enfants courent, riant, autour des fontaines. La vie reprend son rythme simple et paisible, comme chaque matin, dans ce coin de campagne tranquille.
